

MR. ANTOINE GRENIER

A graduate of Université Paris Dauphine and the prestigious Trium Global Executive MBA Program, Antoine Grenier has more than 10 years of experience in the Oil & Gas industry at Schlumberger, where he began his career as an internal Auditor, and then as Chief Financial Officer Africa for the Group's seismic activities and at Geoservices, as Treasurer for Europe, Africa and Russia and as CFO.

In 2011, he joined the Altran group as Deputy Chief Financial Officer. In May 2015, he cofounded the Finance & Performance department of Argon Consulting, which he has headed for three years.

Antoine Grenier is currently Chief Financial Officer of the Foncia group, in charge of finance, mergers and acquisitions, legal affairs and internal audit.
